VELCRO® Brand ONE-WRAP® fasteners offer a versatile, self-engaging solution for cable bundling that's reusable, adjustable, and designed to meet safety code requirements. Available in multiple colors for clean and efficient cable management, as well as in a UL certified plenum rated option for use in air handling spaces.

VELCRO® Brand ONE-WRAP® FR 889 only

Benefits

- **Engineered for superior performance** with options offering **shear strength 1.5X greater than leading competitors**^[1]—ensuring a more robust, reliable solution for demanding environments.
- **Helps ensure safety and performance** with valuable **UL certified**^[2] offerings for use in air handling spaces.
- **Speeds up installation and minimizes operation downtime** with the broadest color range on the market to offer better organization and identification for troubleshooting.
- **Avoids overtightening and cable damage**—unlike traditional zip ties—protecting delicate cables such as fiber optics, **complying with numerous industrial standards** (ANSI/TIA, BICSI and AVIXA).
- **Delivers eco-friendly, easy adjustments** for evolving cable needs, simplifying reworks and additions.
- **Made in North America**, supporting supply chain resilience through rapid fulfillment.
